Independent Auditor's Report

To The Trustees of
The Law Foundation of Ontario

We have audited the accompanying financial statements of The Law Foundation of Ontario, which comprise the statement of financial position as at December 31, 2014, the statements of revenue, expenses and grants, changes in fund balances, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Law Foundation of Ontario as at December 31, 2014, and the results of its operations and its cash flows for the year then ended, in accordance with Canadian accounting standards for not-for-profit organizations.

The Law Foundation of Ontario

Notes to the financial statements

December 31, 2014

1. Purpose of the organization

The Law Foundation of Ontario (the "Foundation") was established in 1974, under an amendment to the Law Society Act, as a corporation without share capital. The Foundation was created to receive interest accruing on monies held in lawyers' mixed trust accounts and to establish and maintain a fund to be used for the purposes of legal education and legal research, legal aid and the establishment, maintenance and operation of law libraries. The Foundation is a not-for-profit organization under subsection 149(1) (1) of the Income Tax Act (Canada) and, as such, is exempt from income taxes.

2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are summarized below:

Revenue recognition

The Foundation follows the restricted fund method of accounting for revenue. Revenue is recognized when received or receivable in the respective fund if the amount to be received can be reasonably estimated.

Fund balances

The Grant Stabilization (formerly, The Reserve) Fund, Future Commitment Fund, Access to Justice Fund and Rejuvenation Fund are internally restricted funds (Notes 9-11). The Class Proceedings Fund and the Roy & Ria McMurtry Endowment Fund are externally restricted funds (Notes 12 and 13).

Interest earned on lawyers' mixed trust accounts

The interest earned on lawyers' mixed trust accounts is calculated and remitted to the Foundation based on agreements made with individual financial institutions. The lawyers' mixed trust accounts are not the property of, nor administered by, the Foundation. The Foundation is, therefore, unable to determine the amount of interest that is accruing until such time as it is advised by each individual financial institution and statutory filings are received from the lawyers. Such interest is therefore recorded when determinable by the Foundation, in the Unrestricted General Fund.

Grants

Grants for legal education, legal aid, legal research and law libraries are recorded in the period in which they are authorized by the Board of Trustees.

Levy on awards

The Class Proceedings Fund is entitled to a 10% levy on any award or settlement to the plaintiff in a funded action. The levy on awards is recorded when determinable by the Foundation.

Capital assets

Capital assets are carried at cost less accumulated amortization. Furniture and fixtures are amortized on the declining balance basis at 20% per annum. Computer hardware and software are amortized on the straight-line basis over their estimated useful lives of three years. Leasehold improvements are amortized on the straight-line basis over the term of the lease.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the statement of financial position date and the reported amounts of revenues and expenses during the year (the Foundation relies on bank statements to record the interest revenue earned on lawyers' mixed trust accounts). Actual results could differ from those estimates. Accounts requiring significant estimates and assumptions include investments, interest earned on lawyers' mixed trust accounts, and accrued liabilities.

The Law Foundation of Ontario

Notes to the financial statements

December 31, 2014

2. Significant accounting policies (continued)

Financial instruments

Financial assets and financial liabilities are initially recognized at fair value when the Foundation becomes a party to the contractual provisions of the financial instrument. Subsequently, all financial instruments are measured at amortized cost, except for equities quoted in active markets, Canadian equities not quoted in active markets, restricted cash and fixed income for the Roy & Ria McMurtry Endowment Fund, which are carried at fair value. Any subsequent changes in fair value are recorded in the Statement of revenue, expenses and grants.

	Measurement
Cash and restricted cash	Fair value
Interest receivable	Amortized cost
Short-term investments	Amortized cost
Fixed income	Amortized cost
Canadian equities	Fair value
Investments Fund for class proceedings	Amortized cost
Investments for Roy & Ria McMurtry Endowment Fund	Fair value
Accounts payable and accrued liabilities	Amortized cost
Due to Legal Aid Ontario	Amortized cost
Grants payable	Amortized cost

Financial assets measured at amortized cost are assessed at each reporting date for indications of impairment. If such impairment exists, the asset is written down and the resulting impairment loss is recognized in the Statement of revenue, expenses and grants.

Transaction costs

Transaction costs for investments are expensed as they are incurred.

Fair value

The fair value of Canadian equities is determined based on bid prices.

The fair value of the investments of the Roy & Ria McMurtry Endowment Fund approximates their cost due to the immediate or short-term maturity of these instruments, except for the Canadian equities, the fair value of which is determined based on bid prices.

Foreign exchange

Transactions denominated in foreign currencies are translated into Canadian dollars at the rate of exchange in effect on the dates of the transactions. The market value of foreign currency denominated assets and liabilities is translated using the year-end rates of exchange. The resulting gains and losses from changes in these rates are included in the realized gain (loss) for investments sold and in the unrealized gain (loss) on investments held at year-end.

9. Grant Stabilization Fund

In 1981, the Trustees of the Foundation established an internally restricted Reserve Fund to provide for future contingencies and future beneficiaries of its statutory objects that relate to legal education, legal research and law libraries. This fund was created and has been maintained from the 25% of net revenue intended to be made available for those beneficiaries. In 2009, the Trustees of the Foundation changed the name of the fund to the "Grant Stabilization Fund". In 2012, the Trustees of the Foundation authorized the transfer of \$1 million to the General Fund. The balance of the Fund is maintained at \$15 million (2013 - \$15 million).

10. Access to Justice Fund

In 2009, the Trustees of the Foundation established an internally restricted fund to provide grants that promote access to justice. The initial source of this fund in 2009 came from a one-time cy-près settlement in the amount of \$14,530,395 (together with interest earned thereon of \$63,735) that the Foundation received as a result of a ruling on a class action lawsuit, although the Foundation was not a party to the action. The amount was transferred from the Unrestricted General Fund to the new Access to Justice Fund. The Access to Justice Fund was established to receive cy-près settlements that are directed to the Foundation.

(a) Future Commitment Fund

In 2004, the Trustees of the Foundation established a fund to hold funds which have been allocated from the Unrestricted General Fund to budget for funding plans extending beyond one year. Multi-year funding plans will continue to be formally approved and booked on a year-by-year basis, but the funds will come out of the Future Commitment Fund, rather than the Unrestricted General Fund. In 2013, the Board of Trustees closed the fund and authorized \$172,880 to be transferred to the Unrestricted General Fund.

(b) Rejuvenation Fund

In 2007, the Rejuvenation Fund was established for the purpose of providing both human and organizational infrastructure support to eligible grantees for optimum performance and efficiency, and includes such activities as professional development, consulting services, technology upgrades and capital acquisitions and improvements. The initial source of this fund came from the Unrestricted General Fund.

12. Class Proceedings Fund

The Class Proceedings Fund (the "Fund") came into being in 1993 under an amendment to The Law Society Act to provide financial support to plaintiffs in class proceedings in respect of disbursements incurred and payments made to defendants regarding cost awards made against the funded plaintiffs. In the event a funded action settles or wins an award, disbursement award grants already paid are recoverable, and outstanding disbursement award grants payable are cancelled. As well, the Fund is entitled to a 10% levy on any award or settlement to the plaintiff in a funded action.

In 2014, the Fund recovered a previous year's disbursement award grant payment of \$1,449,177 (2013 - \$245,455). This amount is included in the payments amount in Note 8. The Fund paid cost awards of \$258,750 (2013 - \$977,397) as a result of cost awards made against funded plaintiffs. The Fund received a levy on awards of \$10,350,989 (2013 - \$2,897,976) as a result of settlements to funded plaintiffs.

13. The Roy & Ria McMurtry Endowment Fund

In 2005, the Foundation established the Roy & Ria McMurtry Endowment Fund in honour of Chief Justice and Mrs. McMurtry, upon his receipt of the 2005 Law Foundation of Ontario Guthrie Award. From the interest earned on the Fund, awards will be made in support of work within the Foundation's objects, of an organization chosen by the former Chief Justice and Mrs. McMurtry. In June 2007, the Board decided that an additional annual \$5,000 scholarship will be available to a student selected from the Law School on a rotating basis.

14. Interest on Lawyers' Mixed Trust Accounts

The Foundation negotiates with each financial institution for interest rates of return and service charges in order to achieve a net competitive rate of return.

15. Accounts payable and accrued liabilities

There are no outstanding government remittances as at December 2014 and 2013.

16. Lease commitments

The Foundation has obligations under a non-cancellable operating lease. The future minimum annual lease payments for premises (excluding occupancy costs) are as follows:

	\$
2015	81,700
2016	54,467

There are no lease commitment obligations after 2016.

17. Contingencies

Once funding has been granted by the Class Proceedings Committee to a plaintiff in a class action, the Class Proceedings Fund (the "Fund") becomes potentially liable for adverse cost awards against the plaintiff in the action. As at December 31, 2014 the Fund remained exposed to potential adverse cost awards in funded actions. In all actions, the likelihood of loss is indeterminable. Any loss will be recorded in the year it is determined.

Indemnity has been provided to all trustees and/or officers of the Foundation for various items including, but not limited to, all costs to settle suits due to their association with the Foundation, subject to certain restrictions. The Foundation has purchased trustees' and officers' liability insurance to mitigate the cost of any potential future suits or actions. The maximum amount of any potential future payment cannot be reasonably estimated.

18. Risk management

The Foundation follows a Statement of Investment Policies, which provides the investment objectives, performance expectations and guidelines for the management of these investments. The Statement of Investment Policies requires that all investments must fall within the Trustee Act of Ontario and requires that certain additional restrictions must be met.

Market risk

Market risk is the risk that the value of an investment will fluctuate as a result of changes in market prices (other than those arising from interest rate or foreign exchange risk) whether those changes are caused by factors specific to the individual investment or factors affecting all securities traded in the market. To mitigate this specific risk, the Foundation invests in a diversified portfolio of investments in accordance with the Foundation's investment policy.

Interest rate risk

The Foundation is exposed to interest rate risk with respect to its long-term investments. Changes in the prime interest rate will have a positive or negative impact on the Foundation's interest income. Such exposure will increase accordingly should the Foundation maintain higher levels of long-term investments in the future.

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The Foundation's investment policy defines permitted investments and provides guidelines and restrictions on acceptable investments which minimizes credit risk. The Foundation limits credit risk by investing in the debt of corporations that have a minimum credit rating of A or equivalent as rated by at least two of the three recognized bond rating agencies operating in Canada at the time of purchase.

Foreign exchange risk

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Foundation invests in non-Canadian equities and is therefore directly exposed to currency risk as the value of the equities denominated in other currencies will fluctuate due to changes in exchange rates.
